Table Rock is Ready for the 2009 Tourism Season

Niagara Falls, ON – After undertaking a brief renovation to the lower Grand Hall and Upper Level of Table Rock, The Niagara Parks Commission (NPC) is pleased to announce that on Saturday, February 28, the entire facility will now be fully open and accessible to visitors.

Over the past seven weeks Niagara Parks staff and its team of contractors have been working diligently to complete the necessary renovations, many of which could not be undertaken in time to meet the original grand opening for the facility in the summer of 2008. These renovations were completed during the slow winter season, thereby allowing NPC to finish its work while minimizing the impact on its visitors and staff.

Updates have been completed at Niagara's Fury: The Creation of the Falls, Elements on the Falls Restaurant, the Grand Hall Falls Viewing Gallery and at Pop & Lolly's Candy Store. "We're anticipating an exciting March Break here in Niagara Parks, and we welcome all families to visit Table Rock to see the beautiful changes we've made to our facilities. If you haven't been to Niagara Falls in a few years, now is the time to make a trip back – there is so much more to experience in Niagara and Niagara Parks," stated NPC Chairman, Jim Williams.
