The **Niagara Falls VIP Wonder Tour** showcases the beauty of Niagara in the fall, winter and early spring seasons.

At **Journey Behind the Falls**, experience the awesome power of one-fifth of the world's freshwater crashing down from 13 storeys above. Elevators travel 45 metres (130 feet) through bedrock to tunnels that lead to portals one-third of the way behind the massive sheet of water. Then, walk to the Upper Observation Deck at the very foot of the Falls. Your visit will take 30 to 45 minutes.

Niagara's Fury recreates the amazing sights and sounds of the formation of Niagara Falls at an exciting 4D experience. Incredible imagery will immerse you in this exciting attraction.

The magical Niagara Parks **Butterfly Conservatory** features over 2,000 colourful tropical butterflies floating freely among lush, exotic blossoms and greenery. Paths wind through the rainforest setting, including the Emergence Window, where butterflies leave their pupae and prepare to take their first flight.
