Hornblower Niagara Cruises is a premium Niagara Falls boat tour experience. New state-of-the-art catamarans take you as close as you can possibly get into the mist of the mighty Horseshoe, American and Bridal Veil Falls. (Timed ticketing available through Hornblower Niagara Cruises).

The Butterfly Conservatory features over 2,000 colourful tropical butterflies floating freely among lush, exotic blossoms and greenery. Paths wind through the rainforest setting, past a pond and waterfall and the Emergence window, where butterflies leave their pupae and prepare to take their first flight!

Soar the gorge on the Whirlpool Aero Car. You’ll be transported through the air in an antique cable car, while far below the torrent of water abruptly changes direction and creates one of the world’s most mesmerizing natural phenomena – the Niagara Whirlpool.

For over 60 years visitors have come to the Floral Showhouse to experience this lush oasis. Collections of orchids, succulents and other tropical plant species are on display throughout the year, along with floral shows that reflect the changing seasons.
