

# SPIRITS OF THE COURSE

## Single Malts

**Glenfiddich (12yrs)** 9.95  
 Maturation in American and European oak casks gives this classic fragrant tree fruit and honey aromas with hints of oak and smoke; richly textured, smooth and mellow on the palate, flavours of oak, vanilla, sweet malt, white fruit and butterscotch with a touch of sweetness and light smoke on the lingering, elegant finish.

**Glenlivet (15Yrs)** 13.95  
 The unique use of French Oak increases the intensity of the whisky, resulting in a richer and creamier finish along with a distinctive spiciness. Deep golden in colour expect aromas and flavours of crème brûlée, sweet apple, gentle smokiness and peat alongside of lavender notes followed by a rich and complex finish.

**Dalwhinnie (15Yrs)** 15.95  
 Fragrant with soft heather, peat and light smoke on the nose and palate; medium body and smooth with a light floral finish.

**OBAN (15Yrs)** 17.95  
 A classic from the western Highlands this fruity malt offers a whiff of heather and more than a hint of smoke. The nose speaks of the sea with mineral, brine, and smoke playing alongside of mild malt; the palate is rich with dried fig, orange, sweet malty flavour and smoke followed by a long finish with a hint of salt.
