Legends on the Niagara

RESTAURANT

Legends on the Niagara is a one-of-a-kind facility with 1,000 acres of natural landscape that boast two 18-hole championship courses, a 9-hole executive course, and an incredible 45-acre, 360-degree, driving range. This land surrounds the historic site of the Battle of Chippawa, fought on July 5th 1814, which was the opening engagement of the Niagara campaign of 1814, the longest and bloodiest campaign of the War of 1812.

The Battle of Chippawa took the lives of over 200 American, British, Canadian and Native warriors allied to both sides, most of whom are thought to be buried at the battle site. It marked the first time the American regular army troops faced British regulars in a stand-up military action fought in the open and many historians cite Chippawa as the birthplace of the professional United States army. Due to a shortage of cloth, the American force wore grey uniforms instead of the usual blue. To this day, tradition says that West Point cadets wear grey uniforms to honour those who fought in this battle.

A focal point of the Battlefield is the memorial cairn, dedicated to the regiments and First Nations warriors who fought in the battle and commemorating the peace that has prevailed between Canada and the United States since that time. Niagara Parks acquired the site of the Battle of Chippawa in 1995 and has preserved 300 acres of this pristine battlefield, the last remaining site from the War of 1812. A self-guided walking tour helps retrace the events of the battle. A memorial service is held on July 5th each year to commemorate the fallen of all the nations involved in this pivotal battle.

Legends was host to the LPGA Canadian Women’s Open, and the Canadian Boys Junior Championship Tournament and two Canadian Women’s Junior Tours all played on our imposing link style Battlefield course designed by Golf Architect Douglas Carrick. Our beautiful stone and timber Clubhouse with panoramic lakeside views of our Battlefield course, was designed by architect Peter Berton, son of famous Canadian author Pierre Berton.

CHEF DAN WILLICK

Chef Dan Willick is a Niagara native from Fort Erie. He has worked for various large and small restaurants and hotels in the Niagara Region, including running his own small catering company. Trained at the Culinary College here in Niagara, Dan enjoys using local products in many of his dishes and Legends has earned the Feast On Certification from the Ontario Culinary Tourism Association. From local greens, tomatoes, and fresh Lake Erie perch, he strives to offer his Guests the best and freshest product possible and uses the Niagara Region as his own back yard.

His culinary journey has taken him through many Niagara Parks kitchens, allowing him to hone a diverse range of talents, from fine dining to fast-paced a la carte service. But Chef Dan says his favourite dish to cook is any tough piece of meat such as a Beef Brisket or Blade Roast. “These cuts require a long, low temperature cooking process to break down the tough muscle fibers, so they become soft and delicious”.

Chef Dan draws his Culinary inspiration from his family and experiments at home with new ideas and concepts. He is passionate about his skill, and continuously comes up with creative and delicious dishes.

Feast On, a program by the Culinary Tourism Alliance, certifies restaurants that are champions of Ontario food and drink. By dining with Niagara Parks Culinary, you help support the many growers, producers and craftspeople that make up the province’s strong food, beverage and agricultural sectors.

The “Certified Taste of Ontario” badge shows locals and travellers alike that we are committed to showcasing Ontario’s unique tastes of place.
