EXPERIENCE, EXPLORE & ENJOY NIAGARA PARKS

Niagara Parks was established in 1885 to preserve and protect the land surrounding Niagara Falls and the Niagara River. Travel along the 56-kilometre Niagara Parkway and experience our sprawling parkland, natural attractions, restaurants featuring local fare, celebrated golf courses and restored heritage sites.

Since its inception, Niagara Parks has operated in a self-sustaining manner, as it receives no operational funding from the provincial government. Every dollar you spend at Niagara Parks helps preserve the nature and heritage of the Niagara River corridor.

Our Tree Planting Program

Each year, we aim to continuously plant trees throughout our 56-kilometre ribbon of parkland. It's part of our ongoing mandate to preserve and protect the natural landscape for millions of guests from around the world.

UNBEATABLE FALLS VIEW

Situated on the upper level of Table Rock Centre, only steps from the brink of Horseshoe Falls, Table Rock House Restaurant offers locally sourced and internationally inspired menus. Whether you're looking for a romantic dinner with the illuminated falls as your backdrop or casual drinks in our lounge, let Chef Elbert Wiersema's cuisine and the stunning view make your dining experience come alive.

A one-of-a-kind culinary experience awaits at the brink of the falls

Enjoy some of the most spectacular views of both the Horseshoe and American falls while dining from the covered terrace or indoor dining room at Queen Victoria Place. Enjoy breathtaking Falls illumination and fireworks displays at night. Ask about our travel trade exclusive Illumination Dinner Package.

Feast On, a program by the Culinary Tourism Alliance, certifies restaurants that are champions of Ontario food and drink. By dining with Niagara Parks Culinary, you help support the many growers, producers and craftspeople that make up the province's strong food, beverage and agricultural sectors.

The "Certified Taste of Ontario" badge shows locals and travellers alike that we are committed to showcasing Ontario's unique tastes of place.
