

MEMORIAL TREE & BENCH PROGRAM

NIAGARA PARKS MEMORIALS

For years, visitors from around the world have enjoyed the many tranquil settings found along the 56-kilometre stretch known as Niagara Parks. The Memorial Tree & Bench Program is an opportunity for friends and relatives to provide a unique dedication to a loved one in one of these serene spaces that will last for years to come.

The gift of a tree is a lasting tribute that will not only stand as a living memorial but also benefit the community by enhancing the natural environment where it is planted. A memorial bench provides a restful stopping point to pause and reflect, surrounded by the sights and sounds of the picturesque environment of Niagara Parks.
