Frequently Asked Questions

Can I add same day replays, additional rounds, or overnight stays to my golf package?

Yes. We will be happy to provide a custom quote based on your requirements.

What if some people in my group have different golf and hotel requirements?

Niagara Parks' golf packages require that all golfers in the group book the same package. Any requests for customized hotel packages will be referred to the appropriate hotel partner(s).

What if I want to stay at a hotel other than those listed?

Golfers that would like to stay at another hotel in the area are responsible for making their own arrangements separately. Niagara Parks Golf can facilitate regular tee times reservations beginning on March 15, 2022.

How are deposits and final payments handled?

- A group coordinator can pay for all members of the group or individual payments can be arranged.
- If the group coordinator is paying for all members of the group, a 25% deposit of the group total will be required to proceed with the booking. The balance will automatically be charged to the credit card on file approximately 14 days prior to arrival.
- If golfers would like to pay individually, we will take the individual package rate of the group coordinator as the deposit for the group. Once the package is confirmed, the remaining golfers must call Niagara Parks to provide their credit card details and complete their payment. The credit cards on file will be charged approximately 14 days prior to arrival.
- We reserve the right to cancel any bookings and/or individual members of the group if full payment is not received prior to arrival.
- Please note we are a cashless facility. Payments for all services at Niagara Parks golf courses are debit and credit card only.

Who receives the group confirmation?

The group coordinator will receive the group confirmation and is responsible for forwarding the itinerary details to all members of the group.

What is your cancellation policy?

Niagara Parks' golf packages can be cancelled without penalty up to 72 hours prior to the arrival date. There will be no refunds issued for golf and/or hotel accommodation past this point. In the event of inclement weather, rain checks will be issued from the golf course. Rain checks are valid for one year from the date of issue and can be used later or applied toward a future golf package.

Will the clubhouse be open during my stay?

Due to quickly evolving COVID-19 restrictions, we are unable to confirm if our clubhouse(s) will be open during your stay. However, quick serve food and beverages will remain available at our halfway house(s), along with roaming beverage cart service.

When will you be aerating the greens?

- **Whirlpool Golf Course:** May 2 to 4 and October 11 to 14
- **Battlefield Golf Course at Legends on the Niagara:** May 9 to 11 and October 17 to 20
- **Ussher's Creek Golf Course at Legends on the Niagara:** May 16 to 18 and July 18 to 21
- **Chippawa Golf Course at Legends on the Niagara:** May 24 to 25 and August 22 to 23

How long will it take for the greens to recover after aeration?

Typical period is 3 to 10 days, but the greens are certainly playable during recovery.

What will the greens putt like right after aeration?

The greens will have small round holes that are filled with sand and will be a little slower with some bumpiness. The greens are rolled daily to improve playability.

Are there COVID-19 protocols in place at the golf courses?

Measures implemented at our golf courses allow guests to continue to follow the advice of public health officials around social distancing, washing hands frequently and avoiding high-touch surfaces. Please do your part to ensure the safety of everyone by following all posted guidelines.

Are there COVID-19 protocols in place at the hotels?

Our partner hotels are committed to keeping you safe and healthy. Industry leading and enhanced cleaning protocols are implemented throughout the hotels and in guest rooms. Linens and all high-touch surfaces, including faucets, door handles, light switches, thermostats, clocks and hangers are thoroughly cleaned and sanitized. If you have any questions or concerns during your stay, please speak with the front desk.

Who can I speak with if I need assistance during my stay?

The golf shop attendant on duty will be happy to assist you or forward your request to a supervisor.
