

## Regulations Governing the Use of NPC Band Shells

The Niagara Parks Commission (NPC) administers and maintains over 1,325 hectares of parkland along the Niagara River Corridor. These parklands include environmentally sensitive historical sites, golf courses, picnic areas, a marina, restaurants, gift shops, attractions, a horticultural school and kilometres of recreational trails and scenic drives.

NPC encourages the use of its three band shells and provides many services to the public including electricity and 30 chairs for performers on stage. Organizations wishing to hold a special event on NPC property must make their request in writing on a NPC application provided on line at [www.niagaraparks.com](http://www.niagaraparks.com) or call 905 371-0239.

**As of 2011:** The following rental fees for the use of band shells apply;

<b>Performance Fee</b>	Any event under a 4 hour duration that uses one of the three NPC band shells	<b>\$400.00/less than 4 hours</b>
------------------------	--	-----------------------------------

- **Additional rental fees for the use of pavilions and other areas of the Parkland may apply.**

The following conditions apply to the use of the band shell areas under the jurisdiction of NPC. We ask that these conditions are read carefully and respectfully adhered to when visiting Niagara Parks properties.

### 1. Solicitation of Funds

It is the responsibility of each group to appoint its own clean-up committee and to ensure that the grounds and band shells are left clean. Remember, other groups may be coming in after yours and we ask for your cooperation in helping to keep the parklands clean. Any expenses incurred by NPC to re-organize the band shell or damages incurred will be billed to the organization using the facility.
