

PROGRAM DETAILS

Niagara Parks is responsible for the installation of your gift. Specific selection and placement of trees or benches are at the sole discretion of The Niagara Parks Commission, but the general location will be determined in collaboration with the donor.

- All donated trees and benches become the property of Niagara Parks and are subject to removal or relocation.
- Tree labels include the common and scientific name of the tree, and individual labels may contain the words "In honour of" or "In memory of" as deemed appropriate.

There may be an extended lead time in order to acquire suitable trees, benches or in the installation process. The planting of some tree species may also be delayed in order to wait for the best planting time. Donors may opt to donate toward and dedicate existing benches or tree specimens, subject to approval.

NIAGARA PARKS

MEMORIAL TREE & BENCH PROGRAM

NIAGARA PARKS MEMORIALS

The Niagara Parks Memorial Tree & Bench Program allows relatives and friends to provide a unique dedication to a loved one by placing a tree or bench in one of Niagara Parks' many greenspaces or beautiful settings.

The gift of a tree is a lasting tribute and will benefit the community by enhancing the natural environment. Tree donations also off-set carbon footprints and contribute to the stewardship legacy of Niagara Parks in planting thousands of trees to be appreciated by visitors for decades to come.

Memorial benches have increased in popularity as a special remembrance of a loved one.

Niagara Parks welcomes inquiries from families, friends or businesses who wish to make a donation towards a tree or bench in honour or in memory of a family member or friend.
