WELCOME TO NIAGARA PARKS

Immerse yourself in the natural beauty of Niagara by exploring the 56 kilometre Niagara River corridor at Niagara Parks.

Hear the roar of the Falls up close, feel the mist rising from the river, soar above swirling whirlpool rapids and explore a century-old power station before traveling underground and emerging at the river's edge.

Your next adventure begins at Niagara Parks.

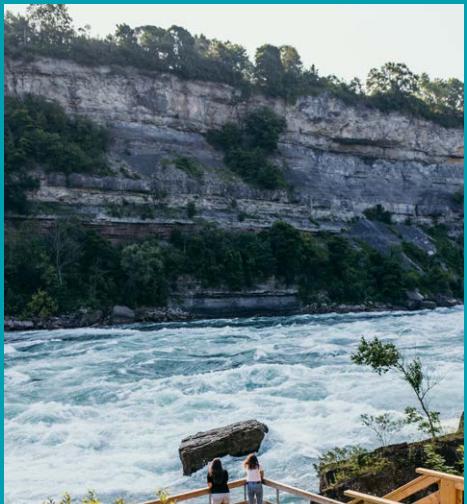

TABLE ROCK CENTRE

For nearly as long as Niagara Falls has been a global travel destination, *Table Rock Centre* has been at the heart of the traveller's experience. This iconic building recently underwent a spectacular three-phase redevelopment project, modernizing its amenities, including new dining and shopping experiences.

Perched atop the Canadian Horseshoe Falls, *Table Rock Centre* offers access to top attractions like *Journey Behind the Falls* along with unforgettable culinary offerings right next to the Falls.

JOURNEY BEHIND THE FALLS

To stand at the center of it all, you'll first need to descend 125 feet and explore 130-year-old tunnels carved through bedrock. But you'll feel the thunderous vibration of the Horseshoe Falls long before you see them.

The observation deck at the foot of this 13-storey-tall wonder will leave you breathless (and maybe a little bit wet), but don't forget to check out the viewing portals cut straight through the rock, they offer a once-in-a-lifetime view of one-fifth of the world's fresh water crashing down before your eyes.

NIAGARA TAKES FLIGHT

You may have been here before, but you've never seen Niagara like this.

This new world-class attraction, Niagara Takes Flight opened August 29, 2025 at the brink of Niagara Falls. This must-see attraction features a fully immersive, flying theatre ride takes you soaring along the entire Niagara River corridor, from Lake Ontario to Lake Erie, showcasing views like never before!

Filmed over the span of six months using custom-built drones, Niagara Takes Flight allows guests to experience the exhilarating sights of Niagara from a perspective they simply could not enjoy any other way. With guests suspended in gondola-style seating, the ride simulates flight through state-of-the-art motion programming, sensory effects like wind, mist and even scent, and a spectacular 17-metre-wide dome screen which stretches below their dangling feet. This attraction seamlessly transports guests along the Niagara River corridor with exhilarating stops spanning all four seasons and transitioning the scenery from day to night.

Before your feet leave the ground, you'll have the opportunity to explore 13,000 years of history through a captivating, media-rich pre-show. This audiovisual experience sets the stage with powerful storytelling that blends geology, culture and time.

Prepare for take-off and be one of the first to fly..

BUTTERFLY CONSERVATORY

Step inside one of the largest glass-enclosed butterfly conservatories in North America and discover a tropical garden oasis. The *Niagara Parks Butterfly Conservatory* is home to over 2,000 vibrantly coloured butterflies, who flutter freely along winding pathways surrounded by lush vegetation and trickling waterfalls.

Stroll through 180 metres of meandering paths lined with towering tropical plants and gorgeous blooms. Along the way, you'll find feeding trays for an up-close look at these delicate creatures, the specially selected flowers that attract them and a picturesque waterfall that helps recreate the magic of the rainforest here in Niagara.

LEGENDS ON THE NIAGARA

The *Legends on the Niagara* facility is Canada's premier public golf destination. The grounds feature two championship courses, a par-3 executive course, a 360° driving range spread over 45 acres, a world-class training facility and a spectacular clubhouse restaurant.

Battlefield: Located on the north side, the imposing *Battlefield* course was designed by golf architect Douglas Carrick. It offers unique challenges suitable for all skill-levels.

Ussher's Creek: One of golf architect Thomas McBroom's finest masterpieces, this challenging and breathtaking course features heavily wooded tree lines, wetland hazards, knee-high fescue rough, and impeccable conditioning from tee to green. These elements combine to make Ussher's Creek a classic parkland course.

Chippawa Executive Course: The Chippawa executive course perfectly complements the larger Battlefield and Ussher's Creek courses. Each hole presents a new challenge. You'll have trouble making par if you miss the green from the tee.
