STATION'S TUNNEL PLATFORM

EXPERIENCE, EXPLORE & ENJOY NIAGARA PARKS

Niagara Parks was established in 1885 to preserve and protect the land surrounding Niagara Falls and the Niagara River. Travel along the 56-kilometre Niagara Parkway and experience our sprawling parkland, natural attractions, restaurants featuring local fare, celebrated golf courses and restored heritage sites.

Since its inception, Niagara Parks has operated in a self-sustaining manner, as it receives no operational funding from the provincial government. Every dollar you spend at Niagara Parks helps preserve the nature and heritage of the Niagara River corridor.

Education Across Niagara Parks

Take learning beyond the classroom and offer your students the opportunity to explore the wonders of Niagara's rich nature, history and culture in the heart of one of the world's most beloved destinations.

From interactive guided tours of iconic landmarks to hands-on workshops exploring environmental conservation and Indigenous heritage, our educational programs are designed to inspire curiosity and foster a deeper understanding of the world.

Ask us about our tailored educational experiences and leave the planning to us!

Experience the awe-inspiring power of electricity with our Tesla Coil Demonstration during your Power Station experience.

Demonstrations take place daily, 15 minutes before each hour.

WHITE WATER WALK

4330 RIVER RD, NIAGARA FALLS | AVAILABLE MAY TO OCTOBER

Take a walk along the powerful Class 6 Rapids of the Lower Niagara River! Standing in the heart of the Niagara Gorge, students can see the remarkable strata that makes up the geological landscape of the Niagara Region. The White Water Walk is the place for students to discover the true force of water and how it carved the Niagara Gorge over the last 12,500 years. Learn why the Niagara River looks green! Discover why the Niagara River is an Important Birding Area! Walk along this stunning boardwalk beside some of the most powerful rapids in the world!

Curriculum

Grades 1, 3, 5, 7 & 8 Energy & Forces

- G1 - Energy Basics: The Sun
- G3 - Contact & Non-contact Forces and Motion
- G5 - Matter & States
- G7 - Particle Movement with Heat
- G8 - Fluid Mechanics

Grades 1, 2, 3, 4 & 8 Earth & Environmental Systems

- G1 - Effects of Seasonal Change
- G2 - Water & Air
- G3 - Soil Composition & Erosion
- G4 - Rocks & Fossils
- G8 - Water Systems

Grades 2, 4, 6 & 7 Living Systems & Adaptations

- G2 - Animal Adaptations
- G4 - Habitats & Food Chains
- G6 - Impact of Biodiversity
- G7 - Ecosystems & Interactions

Grades 3 & 4 Human Impact

- G3 - Forces & Society
- G4 - Community Habits

Grade 9 Science

- Ecosystems & Climate - Energy Cycles; Climate Change Indicators
- Climate Impact - Effects of Climate Change on Ecosystems

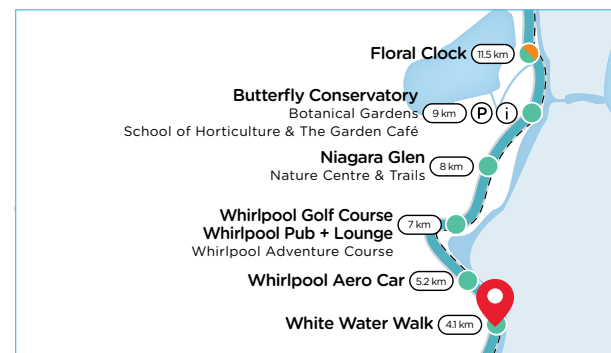

Grade 10 Science

- Applied - Earth's Dynamic Climate
- Academic - Climate Change

Grade 12 Earth & Space Sciences

- Geological History - Earth's Geological Changes
- Earth Materials - Mineral Properties
- Geological Processes - Earth's Internal & Surface Changes

Open since 1936, European-style gardens with 40 hectares of allees, roses, herbs & vegetables.

NIAGARA GLEN NATURE CENTRE

3050 NIAGARA PARKWAY, NIAGARA FALLS | AVAILABLE MAY TO OCTOBER

Hike

Take a guided hike through a protected Carolinian Forest, home to over 400 species of flora and fauna. Students will learn about the creation of the gorge and Niagara Falls from the time of the last ice age, see fossils over 400 million years old and immerse themselves in nature. Hiking tours take approximately 45 minutes to an hour, depending on how fast students hike and any questions they may have. The tour is through a natural environment with unpaved trails. Proper hiking footwear and clothing is a must. Students are encouraged to bring water. Trails are located within the gorge and are accessible only by stairs. Our trails are rated moderate difficulty, but please be aware of physical limitations when booking this tour.

Weather permitting. Hiking tours will not run during the threat of thunderstorms.

Rim Tour

For students with physical accessibility requirements or groups that don't have enough time for a full hike, the rim tour is an alternative option. Bird's eye views of the gorge and Niagara River offer a beautiful backdrop for students as they learn about the formation of Niagara Falls, the gorge and the powerful Niagara Whirlpool. Learn about the unique landscapes of Niagara, specifically the Carolinian Forest. This walking tour is along the ridge of the gorge and does not descend down the stairs into the forest below. Tour is approximately 30 minutes.

Weather permitting.

Nature Exchange Program

The Nature Exchange began at Science North in 1984 and was adopted by Niagara Parks in 2017. The program is designed to engage students with nature in a hands-on way. Students will learn about fossils, plants and animals by examining specimens and utilizing research materials. Program is approximate 30-45 minutes and is suitable for grades 6 and up. Maximum capacity 30 students per tour.

Available Packages

Niagara Glen Tour
Pick 3 + Lunch Free

30-90 MIN

NIAGARA GLEN NATURE CENTRE

Take a guided tour down into the Niagara Glen and witness native wildlife and thundering white water rapids. Learn about the creation of the Gorge and Niagara Falls following the last Ice Age. Discover the unique Carolinian Forest and discuss the various flora and fauna found there.

Curriculum

Grade 1 - 7 Life Systems

- G1 - Needs and Characteristics of Living Things
- G2 - Growth and Changes in Animals
- G3 - Growth and Changes in Plants
- G4 - Habitats and Communities
- G5 - Conservation of Energy and Resources
- G6 - Biodiversity
- G7 - Interactions in the Environment

Grade 1, 3, 4, 8 Earth & Space

- G1 - Daily and Seasonal Changes
- G3 - Soils in the Environment
- G4 - Rocks, Minerals, and Geological Processes
- G8 - Water Systems

Grade 9 Biology

- De-Streamed Course** - Sustainable Ecosystems and Climate Change
- Academic** - Sustainable Ecosystems
- Applied** - Sustainable Ecosystems and Human Activity

Grade 9 Issues in Canadian Geography

- Interactions in the Physical Environment

Grade 10 Earth & Space

- Academic** - Climate Change
- Applied** - Earth's Dynamic Climate

Grade 11 Biology

- Academic** - Diversity of Living Things
- Academic** - Evolution
- Academic** - Plants: Anatomy, Growth, and Function
- Applied** - Plants in the Natural Environment

Grade 11 Environmental Science

- College/University Prep** - Scientific Solutions to Contemporary Environmental Challenges
- College/University Prep** - Human Health and the Environment
- College/University Prep** - Sustainable Agriculture and Forestry
- Workplace Prep** - Human Impact on the Environment
- Workplace Prep** - Human Health and the Environment

Grade 11 Interdisciplinary Studies

- Community Environmental Leadership
- Local Field Studies and Community Links

Grade 12 Earth & Space

- Recording Earth's Geological History
- Geological Processes

Grade 12 Technological Education

- Green Industry

TREE PLANTING

AVAILABLE MAY - OCTOBER

Participating students will have the opportunity to plant deciduous native seedlings known to the Carolinian Life Zone. After planting their seed, each student fills their hole and mulches their area. Your group's planting area will also be GPS-marked to include your group's name.

A Niagara Parks horticultural specialist will meet with your students to prepare their planting location and explain the benefits of the program, such as air quality improvement and offsetting the effects of greenhouse gases from vehicles.

30-90 MIN

OLD FORT ERIE

350 LAKESHORE RD, FORT ERIE | OPEN MAY TO SEPTEMBER

Travel to the edge of the Niagara River at Old Fort Erie to experience the sights and sounds of Canada's Bloodiest Battlefield and site of Ontario's first fort. Tours of Old Fort Erie covers the War of 1812 and the 1814 Campaign / Siege of Fort Erie, Indigenous Allies and their role, militia and enlisted soldiers, life in an Upper Canadian British Fort, the Fenian Raids and the Road to Confederation. Archeological students will be interested to see artifacts from the original 1760s wooden fort and 1814 siege lines. Learn about the 1987 archaeological dig at Snake Hill that uncovered the bodies of 28 US soldiers from the War of 1812, and their return home.

Curriculum

Grade 1 - 3, 5, 6 Social Studies

- G1 - Our Changing Roles and Responsibilities
- G1 - The Local Community
- G2 - Changing Family and Community Traditions
- G3 - Communities in Canada, 1780-1850
- G3 - Living and Working in Ontario

LANDSCAPE OF NATIONS

14184 NIAGARA PKWY, NIAGARA-ON-THE-LAKE | OPEN YEAR ROUND | AVAILABLE AS AN ADD ON TO ANY ATTRACTION OR PACKAGE

The Landscape of Nations is a living memorial dedicated to the contributions and sacrifices made by Six Nations and Native Allies on Queenston Heights and equally important, throughout the War of 1812. This 45-minute tour includes a walk through Queenston Heights in particular, and the causes of War of 1812, the Battle of Queenston Heights in particular, and the war's outcomes. The tour also explores Black history including the Coloured Corp and the historic role played by Laura Secord.

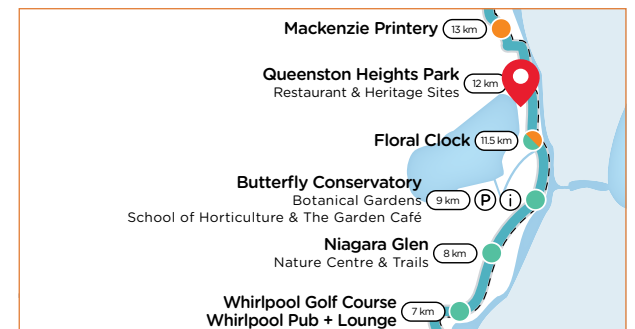

The tour is based on the work of a team of Indigenous scholars pulled together by Tim Johnson, a former director at the Smithsonian's Museum of the American Indian.

The process included the development of the Ten Essential Understandings for educators regarding Indigenous history and culture.

Curriculum

Grade 7, 8 History

Grade 9, 10 First Nations/Metis/Inuit Studies

JOHN NORTON

Major John Norton (Teyoninhokarawen) was adopted into the Mohawk Nation by Joseph Brant. He led Six Nations fighters into battles at Queenston Heights, Stoney Creek and Chippawa. His journal chronicles his journey from Upper Canada to the homelands of his Cherokee father, stories of Haudenosaunee culture and history, and Haudenosaunee involvement in the War of 1812.

Chartered transportation WITH WEGO®

KNOW BEFORE YOU GO

1. Once you receive your trip confirmation, please review our Niagara Parks Terms and Conditions located at the bottom of the page.
2. We require a FINAL count 5 business days prior to your group's arrival. Please email your final count, to include the breakdown of students & adults, so that a final confirmation can be emailed to you. If you fail to provide a final count, the group will be charged for the reserved amount or the actual number in attendance, whichever is greater.
3. Please provide the Teacher Name and/or Group Leader's name & Cell phone number in the event Niagara Parks needs to contact you on the day of your group visit.
4. We require written notice of cancellations a minimum of 5 business days prior to arrival..
5. Payment by school cheque, credit card or cash payment is required upon arrival at the first Niagara Parks location you are visiting.
6. Please provide a copy of your confirmation to each Teacher and Chaperone/Group Leader attending the trip.
7. It is important that your group adheres to the schedule that has been booked and arrives at their scheduled time. Late arrivals may not be accommodated at attractions or dining locations.
8. Teachers and Chaperones/Group Leaders are responsible for the orderly behaviour of the students at all times and in all locations.

Terms & Conditions

- Final guest count is required in writing 5 business days prior to your group's arrival.
- We require written notice of cancellations a minimum of 5 business days prior to scheduled arrival.
- Please provide the teacher and/or group leader's name & cell phone number in the event Niagara Parks needs to contact you on the day of your group visit.
- Groups should check-in 15 minutes prior to their reserved time. Late arrivals may not be accommodated. Should the group be delayed, please contact Group Sales at 1.877.642.7275 ext. 2. On weekends and holidays, the venue should be contacted directly at the phone number listed at the bottom of the confirmation.
- Prices are listed in Canadian dollars. One lump sum payment by cash, credit card or school cheque is required upon arrival, unless direct billing has been pre-established. Exchange is given on US dollars.
- For student groups, one complimentary admission is provided for adult chaperones with 10 paid student admissions.
- Student rates and complimentary policy apply only from September through June for Elementary and Secondary levels. Student rates do not apply during July and August.
- Please advise if your group has accessibility needs so we can best assist our guests.
- Complimentary bus licence applies to elementary and high school groups only during the school year.
- All Guided Experiences require 5 business days for final counts.
- Picnicking is not permitted on the grounds of the Botanical Gardens/Butterfly Conservatory. Primary students snack break is permitted outdoors on the lawn or available seating. Snack break is separate from lunch and should not be considered a substitute.
- Teachers/Chaperone/Group Leaders are responsible for the orderly behaviour of student groups at all times in all locations.
- Niagara Parks reserves the right to relocate groups should an attraction become unavailable.
- For guests bringing bags or backpacks:
 - Please note, bags larger than 36 cm wide x 23 cm x 56 cm will not be permitted into Journey Behind the Falls, the Niagara Parks Power Station, or White Water Walk.
 - To expedite your tour, groups are encouraged to leave all non-essential bags in their bus/vehicle as lockers are not available.
- Code of Conduct: Groups are expected to treat all individuals with dignity, respect, and fairness while contributing to a safe and inclusive environment. All group members must follow applicable safety requirements, respect Niagara Parks property, attractions, facilities, staff, and other guests, and comply with staff instructions. Harassment, discrimination, intimidation, threats, violence, or other disruptive or inappropriate behaviour will not be tolerated. Niagara Parks reserves the right to restrict access to or remove any individual whose behaviour compromises safety, operations, or the enjoyment of others, without refund.
- Elevator Conduct: For the safety of all guests and staff, Niagara Parks reserves the right to refuse entry to any guest who fails to comply with elevator safety policies. Any guest observed engaging in unsafe or disruptive behaviour, including jumping or tampering with elevator operations, will be denied access to the attraction and escorted off Niagara Parks property, without refund.

A wide-angle photograph of Niagara Falls at sunset. The sky is filled with soft, white clouds tinged with orange and yellow from the setting sun. The water of the falls is a vibrant greenish-blue, cascading over the edge. The foreground shows the mist and spray of the falls.
